Company	VERZEO

Company Profile

Verzeo is an Ed-Tech startup increasing since its inception. We are redefining e-learning and have created an AI-based model that caters to the K-12 to K-16 space. Verzeo has had the distinct advantage of working with the student community and understanding their real needs. Our products and services are designed around catering to the precise knowledge gaps that young student faces. A knowledge platform that can be accessed from anywhere in the world so that no student is left behind helps Verzeo realize its democratizing education mission.
