About Accenture

Accenture is a global professional services company that provides a wide range of services and solutions in strategy, consulting, digital, technology, and operations. They operate in more than 120 countries and employ over 500,000 people worldwide. Accenture is headquartered in Dublin, Ireland and is a Fortune Global 500 company. In 2023, they reported revenues of $64.1 billion.

Accenture is known for being a top employer of choice, a responsible corporate citizen, and a talent-led organization. Their culture of inclusion covers areas such as gender, ethnicity, LGBTI, religion, persons with disabilities, and cross-cultural diversity. Accenture also embraces change and creates value for all stakeholders. For example, they have operationalized ethical AI in their company and are helping clients use AI intelligently and responsibly
